To whom it may concern

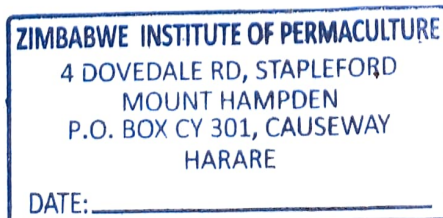

Confirmation of Delegation of Fambidzanai Permaculture Training Centre to operate under Zimbabwe Institute of Permaculture PVO Registration.

Zimbabwe Institute of Permaculture (ZIP) is a registered Private Voluntary Organisation (PVO), operating as an umbrella organisation housing a total of five other units, namely Fambidzanai Permaculture Training Centre, Schools and Colleges Permaculture Program, Natural Farming Network, African Farmers Organic Research Training and Participatory Ecological Land Use Management. The operation of ZIP through its different units mentioned above as provided for by the PVO, which is an Act of Parliament, is to operate in the form of entities or branches which are referred to herein as units. This is provided for in section 17 of the PVO Act, Subsection 1, which states that "Every registered PVO which conducts its operations wholly or partly through branches established and functioning under the control and direction thereof shall constitute a committee of such a branch and the said organisation shall grant to every such a branch a letter of delegation in the prescribed form and subject to the prescribed conditions."¹

The letter serves to confirm the delegation of Fambidzanai Permaculture Training Centre as one of the ZIP units operating under the registration of ZIP (PVO/12/92). Based on the dictates of section 17, subsection 1 of the PVO Act Chapter 17:05), Fambidzanai is thereof allowed through this letter of delegation to operate as a legal entity under the auspice of the Zimbabwe Institute of Permaculture.

It is in that regard that ZIP would kindly delegate and recommend Fambidzanai to be assisted in its conduct and transactions under the ZIP registration. For any further clarification, do not hesitate to contact the undersigned.

TSURO BORE
(Chairperson (ZIP))

GERTRUDE PSWARAYI-JABSON
(Secretary (ZIP))
